

we  it  
personal.

# Who we are.

OpenPloyer links innovative solution providers with organizations. As a global hub we offer first-class Human Resources Consulting. We benefit from the power of our international network and support our company clients and partner experts in a competent and fair way at eye level. Together we achieve outstanding performance through fair partnership. After a structured demand analysis we submit individual proposals and draw up a comprehensive package of solutions to meet your specific challenges in Human Resources Management. Our solution portfolio includes among others Recruitment, Mobile & Social Media Recruiting, Process Optimization, Video & Audio Interviewing, Generation Y Workshops, Business Gamification, HR Software & Tools, Headhunter Reviews.
